About

Janseva was founded on 24th April 1996 as a non-government organization with a mission of assisting the tribal population in Yavatmal district of Maharashtra in the field of education and rural development. In 2007 it extended its work beyond our home district. Our primary focus is on empowering the vulnerable section of the community, more particularly the women, elderly and children. Janseva is thriving to enhance the quality and dignity of lives.

Janseva Gramin Vikas Va Shikshan Pratishthan, meaning society for rural development and education, is a development organization was founded with the central goal to bring women and the marginalised population into the center stage of local governance and development processes. Janseva is playing a key role as a facilitating organization opens up strategic spaces for participation of grassroots women's collectives on one hand, build and strengthen organizational capabilities through self education, Awareness on Child Protection issues like, Child Marriage, Child Sexual Abuse and Child Labour participation in local planning and governance mechanisms, demonstration and scaling up of initiatives and forging resource linkages with institutional actors.

We work with government bodies, international organization like UNICEF, Indo-German Watershed Development and NABARD in various initiatives in empowering women, reducing the rate of school dropouts, improving farm practices and strengthening grassroots organization with a view to fostering sustainable development and improving livelihoods. We have been an active partner with NABARD in developing watersheds in Chandrapur, Yavatmal and Wardha districts.

A distinguishing feature of Janseva is the strong grassroots level field network with a vast base of knowledge of local resources. This is supported with a managerial team endowed with wide variety of conceptual and management skills for project planning, implementation, monitoring, and evaluation

Vision

Our vision is to build just, enlightened, healthy, democratic and empowered society free from all forms of exploitation. We plan to achieve this vision through promotion of appropriate local level institutions rooted in the Gandhian values of justice, equity, fairness, trust and mutual support.

Mission

Our mission is building a healthier and more just society for our future generation

Objectives of Work

Programmatic Interventions in 2023-2024

HEALTH

Comprehensive Elderly Care Program

The Comprehensive Elderly Care Program is planned to come up with the comprehensive model for elderly care which consists two interventions viz. Health and Social. Considering these interventions, the program mainly focuses on following

1. To provide the quality health care services to the elderly of rural community of Chandrapur District by supporting the operationalization of NPHCE.
2. To create awareness in the community
3. To initiate multi-approached Activity Centers at village level that will focus on social engagement and promotive/preventive health care. With coordination of District Health Society, Chandrapur, Grampanchayat and native communities, the Azim Premji Philanthropic Initiative and its partner organization Janseva Gramin Vikas va Shikshan Pratishthan jointly implementing this program in five blocks of Chandrapur district of Maharashtra namely Bhadravati, Ballarpur, Chandrapur, Mul and Sawali. To set up the Activity Center named Mayechi Sawali, a total of 75 villages (15 each block) have been selected from each block.

1 Activity Centers for Elderly at Community Level

Sr. No.	Indicators	Target	Achieved	Completion (%)
1	Total no. of Activity Centers Initiated	75	75	100%
2	Total no. of volunteer training conducted	12	12	100%
3	Total no. of volunteers trained	150	150	100%
4	Total centers running under volunteers support	75	75	100%
5	Total Centers running under volunteer support as per SOP	75	75	100%
6	Total no. of sessions conducted in the centers per month	31000	29339	94.6%

7	Total no. of elderly registered per center	1500	4180	278.6
8	Total skill building sessions conducted	7800	6241	80%
9	Total no. of general health check-up camps conducted	690	547	79%
10	Total no. of awareness sessions conducted per month	720	2202	305
11	Total no. of elderly participated	1500	19423	1294
12	Total no. of IEC boards displayed in the Activity Centers	375	375	100%
13	Total no. of caregiver trainings conducted per year	190	162	85%
14	Total no. of caregivers trained	1500	4067	271
15	Total no. of elders participated in the research	1500	3615	241

Community Awareness/IEC

Community sensitization towards elderly care is crucial to promote the elder friendly community. Therefore different modes were used to create the awareness such as wall paintings, audio messages, street play etc.

1. Wall paintings

Wall paintings with the text of Marathi Language are designed and painted across all villages in order to create awareness about healthy diet, physical activities and constant engagement in *Activity Centers*.

2. Street Plays

Street plays were conducted in all 75 villages. The theme was health issues of Elderly, Elderly abuse, social security schemes, senior citizen maintenance act (Amendment 2019). The local group of theater artists perform street play on common health issues such as diabetes, hypertension.

3. Audio Messages

The audio messages were developed to create the awareness on Elderly Care and Covid-19 pandemic, messages were disseminated through digital media and shared with Gram Panchayat members at village level.

4. Community Meetings and Home Visits

Block Coordinators/Volunteers visits the households of Elderly and Counsel them on good/nutritious diet and encourage attending the Activity Center on regular basis. Caregivers are also counseled to engage elderly in household chore which help them to be stress free.

Awareness Activities at Community Level (District)

S.N.	Indicators	Target	Achieved	Completion (%)
1	Total no. of street play conducted in a year	190	200	105%
2	Total no. of people attended the street play	5700	6000	105%
3	Total no. of wall painting done	75	75	100%
4	Total audio messages played in the month in a village	4000	5052	126%
5	Total elder issues discussed in gram-sabha/meetings in year	690	450	65%
6	Total no. of villages conducted intergenerational activities on special days	15	176	1173

Provision of Healthcare for elderly

NCD/GC

Routine check-up is the mandatory need during old age. Therefore, regular NCD camps and multispecialty health camps are being conducted since this initiative aims to support and strengthen the geriatric care at community as well as at health facility level. During 2024, Geriatric Clinics could not be conducted due to Covid-19 pandemic so this gap has been fulfilled during 2023 to 2024.

Multi-specialty Health Camps and Referral

A multi-specialty health camps are conducted at village level since the medicine and specialty services scarcity at PHC/SC level. During FY 2024, a total of 8 multi-specialty camps have been conducted with the association of local Private Practitioners and Acharya Vinoba Bhave Rural Hospital, Sawangi Meghe.

Following specialty services, free check-up and medicines were provided during these camps

- General Medicine
- Ophthalmology
- Orthopedics
- Gynecology
- Pediatrics
- Dermatology
- Dental Services

The patients those need advance/surgical treatment were referred to AVBRH, Hospital, Sawangi Meghe. The transport was arranged by hospital only.

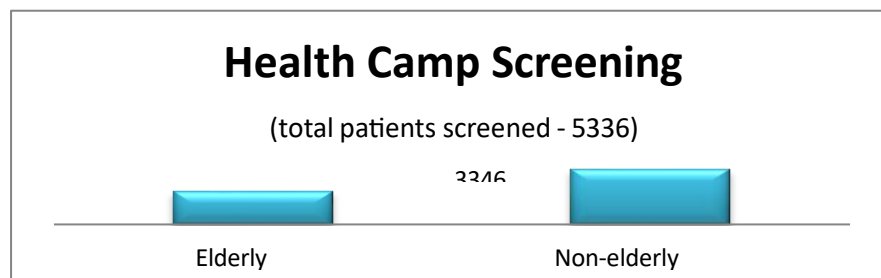

Table no. 4 Provision of healthcare status

Sr. No.	Indicators	Target	Achieved	Completion (%)
1	Total no. of geriatric clinics conducted	1800	1072	60%
2	Total no. of elderly screened and provided health card	54000	32000	59.2%
3	Total no. of elderly attended GCs (total GC OPD)	18000	18651	104%
4	Total no. of trainings conducted for health staff in 5 blocks	3	3	100%
5	Total no. of health staff trained under NPHCE	150	157	104%
6	Total no. of health camps conducted in a year	20	25	125%

Capacity Building

Trainings were conducted for the Health Department staff to support the project activities on ground level such as support during Geriatric Clinics, health camps at village level, record maintenance.

Block coordinators were trained on quarterly basis for the better execution of their roles and responsibilities, discussions and mitigation of ground level challenges, initiation of new activities, rapport building with all stakeholders and local community, sustenance of the Activity Centers, documentation and record updates.

Volunteers are trained to understand their roles and responsibilities, strengthening the quality of Activity Centers and maintenance of records and reporting.

Challenges and Mitigation

There were some difficulties to secure dedicated places for Activity Centers due to non-availability of halls and political issues at village level.

- ✓ The halls for Activity Centers were made available by frequent meeting/discussions with Grampanchayat body and raising elder issues during Gram-Sabha, few of Activity Centers are started at religious places such as temples/vihar as non-availability of halls at village level.
- ✓ Also, a meeting was conducted with Chief Executive Officer (CEO) of Zilla Parishad, Chandrapur to address the issues regarding places. The letter has been issued from CEO's office informing all Block Development Officers to take a note and support with this issue.

Reading Corners

Considering the reading inclination of elderly population, the reading corners has been started in few of the Activity Centers of Bhadravati block

Skill Development

Janseva Pratisthan has been conducted on various skill development training like Computer Skill, Beauty Parlor, Tailoring and Moter mechanic

Under the Skill Development Program, training in tailoring, computers, beauty parlors, nursing, and two-wheelers repair was provided to 616 boys and 200 girls, enabling them to gain employment And some young boys & girls started their business.

- Skill development encompasses several vital attributes, including identifying one's skill gaps and enabling one to develop those skills to achieve their goal. In other words, it refers to systematic and sustained efforts towards improving one's ability to perform job- related activities.
- Total 100 Student trained under this training and 60 Student got the job and secure livelihood.

Water & Soil conservation

Since 1996, Janseva Pratishthan's collaborative efforts with NABARD, Watershed Organization Trust, the Government of India, and Reliance Foundation in watershed management have empowered farmers to enhance crop yields through improved irrigation practices in 35 Villages in 14800 Hq. and 5000 Farmers Benefited.

Resilient and self-reliant rural community by upliftment of Economics and Social lives of individual and collective through sustainable livelihood in a define eco-system

Janseva helps to 1280 SHG womens in farm and non farm sector in which solar dryer 300 womens, poultry 100, goatary 113, vegetables 100, milk packaging machine 20 womens, spices grinder machine 10 womens, hatchery business 200 womens, and 437 womens for other business

Supportive Group (SG Group) :

This is the group of 12 to 15 members which are selected by villagers in which Sarpanch, village level cadder, active farmers, social workers, women's and youth added in this group

SG members role is to support the work, select the beneficiaries, support in decision making and decide the nature of activity, monitor and control the activity in field also takes part in the share of essential information to the community

We are also created a platform village level whats app group platform to share the program information in A Grade villages

Inclusive Decision-Making:

Group members involve the entire community in decision-making processes regarding the utilization of the contribution fund.

Contribution by the beneficiaries/Farmer :

Beneficiaries contribution are helpful to us because they took ownership and engagement in the work, present during the work, helps in every work process

Due to contribution we are covering more beneficiaries in the same budget.

Transparency and Accountability:

Supportive group members ensure that the contribution fund for village development is managed transparently and accountably. They maintain clear records of all financial transactions, keeping detailed reports accessible to all members of the group. Holistic Approach towards Village Development

Janseva is dedicated to fostering resilient and self-reliant rural communities by uplifting the economic and social lives of individuals through sustainable livelihood practices within defined ecosystems. Our efforts focus on raising mass awareness on climate-resilient farming techniques, ensuring access to clean drinking water and proper management of grey water sustainability and economic empowerment

Additionally Janseva engage in Participatory Rural Appraisal (PRA) and GDPD planning processes, undertake extensive plantation drives, promote nutrition through kitchen garden and biofortified crops, implement micro-irrigation systems, and prioritize soil and water conservation measures to restore natural resources. Through these initiatives, we aim to enhance the health and lifestyle of rural communities while fostering environmental.
