

Case Study

Child sexual abuse cases

I am eight years old I am leave at Maltekdi in Nanded District, I am studying in Zilla Parishad primary school, the school is nearby my home, I go to school every day but now I am scared to go to school because one of the school teacher in school who send us girls alone to the upper class room and sometimes they show me bad pictures on mobile dirty Photo shows, sir misbehaved with me he did something wrong with me I told my school teacher and also told principal even though but I didn't write a letter to madam, But teacher not stop her misbehaver now I can't bear it So finally I told my mother she said to me please called to ChildLine and tell your story, After telling all the information, Childline team came to our Home and explained to parents, Finally I have compliant the police they brought the police with them, fired that sir from job and he is in Jail he was also punished. And now we go to school every day without fear
